

**TO SEND YOUR DONATION TO THE INTERNATIONAL BOOK PROJECT:**

1. Choose a box that when full of books/journals will weigh approximately 30-35 pounds. Liquor boxes are best and sturdy enough. Go around the box with some tape (filament tape is best) to keep box in one piece even if damaged. Do leave room for a clear display of packing label. **Pack books/journals flat in box, rather than on edge.**
2. *Library* rate is the cheapest postal rate (slightly cheaper than *Book* rate) and may be used if your return address shows an organization (school, church, clinic, library, hospital, etc.) rather than an individual (yourself) as the sender. Include a note and self-addressed envelope if you wish IBP to send you tax credit for your contribution (\$1 per pound gift in-kind value for the books) plus your postage costs.
3. Download this pdf and print it. Cut the slip out, fill in the required fields and securely tape it to the top of your package. Be sure to cover all edges (preferably with packing tape) so that the label doesn't fall off during shipment.

---

**THANK YOU SO MUCH FOR YOUR BOOK DONATION TO THE INTERNATIONAL BOOK PROJECT. IF POSSIBLE, PLEASE INCLUDE A FINANCIAL CONTRIBUTION TO HELP SHIP YOUR BOOKS TO AN ORGANIZATION ABROAD.**

**AS ALWAYS, THANK YOU FOR RECYCLING YOUR USED BUT STILL GOOD BOOKS "THROUGH THE MINDS OF PEOPLE".**
